

**DEPARTMENT OF COMPUTER SCIENCE
FACULTY SCHEDULE**

Spring 2022

NAME: Keith Hellman (Visiting Instructor)
 E-MAIL: khellman@mines.edu
 GPG: pgp.mit.edu 9FCF40FD

I'm available and will work with students to meet **in-person** during **non-bolded** timeslots. I'm also happy to meet with students over a ZOOM/Jitsi/BBB/Google call. Please arrange these meeting times through Email — initial messages that tell me **when you can meet** are the most efficient.

For this semester in particular, it seems I'll *usually* be available after lecture for a bit.
